AMEND Senate Bill 1835

House Bill No. 1717*

by designating the existing amendatory language of SECTION 2 as subdivision () (1) and adding the following new subdivision () (2):

(2) As used in this subsection (), "strategic plan" means a comprehensive plan that outlines the key priorities, goals, and strategies that guide the work of the department toward the improvement of education in this state. The strategic plan also addresses how the department utilizes the collective resources of this state, including, but not limited to, state and federal funds in support of the priorities, goals, and strategies outlined in the plan, and how the department will monitor, evaluate, and publicly report progress toward achievement of the priorities, goals, and strategies outlined in the plan.

AND FURTHER AMEND by designating the existing language of SECTION 3 as SECTION 3(b) and adding the following new SECTION 3(a):

(a) As used in this section, "strategic plan" has the same meaning as defined in SECTION 2 of this act.
